The Pharmaceutical Supply Chain Initiative

Fee structure

Date: 01 January 2027

Membership Fee

General information

Membership fees are paid annually in advance to cover Membership for the following calendar year (1 January – 31 December). Fee levels are set by the Board and agreed by the Membership.

Standard fee levels for PSCI Member companies are:

Most recent annual revenue at time of calculation	Annual fee
$30bn and above	$35,750
$20bn - $30bn	$30,250
$10bn - $20bn	$24,200
$5bn – $10bn	$21,175
$2bn – $5bn	$18,150
$1bn - $2bn	$15,125
$500m - $1bn	$12,100
Less than $500m	$6,050

Associate Membership premium

Associate Members pay a 25% premium on the standard fee level for the first 3 years of Membership.

After 3 years, it is expected that Associate Members will move to Full Membership. If Associate Members wish to continue in Associate Membership the fee premium is increased.

For 2027 there is an additional 5% premium, bringing the fee premium to 30% for Associate Members with over 3 years of Membership.

Please note: the 2027 – 2029 strategy will formalise the tiered fee premium structure.

Supplier Partnership Fee

General information

PSCI Supplier Partners pay $7,000 per annum to take part in the Partnership program. Fees are paid annually in advance to cover Partnership for the following calendar year (1 January – 31 December).

For supplier companies with revenues <100m USD, the Partnership fee is reduced to $5,000 per annum.
